

GENERAL REGULATIONS

- The barriers inside the campground will remain closed from 12.00 am to 08.00 am. At these times it is absolutely forbidden to enter and exit with cars and motorcycles, to set up and take down tents.
- Upon arrival all campers must fill in the appropriate notification forms and show an identity card.
- Cars are allowed on the pitches only on arrival day and on definitive departure day, to allow unloading and loading of luggage.
- Only intact, rubber-coated and seamless cables may be used connect to the electricity grid, in keeping with current regulations. In case of absence, it is mandatory to disconnect the power plug.
- It is absolutely forbidden to set up verandas, reeds, mats, or anything else that is not normal equipment for caravans or tents, unless authorized by the management.
- It is strictly forbidden to drive nails, tie ropes, or otherwise damage trees and plants.
- The campground management is not liable in any case for theft of money or objects, or for damage to cars, caravans or traffic accidents that occur inside the campground or the (unattended) car park. Each camper must keep an eye on their belongings.
- Anyone who finds any object within the enclosure of the campground is required to hand it over to the Management who will return it to its rightful owner or keep it in storage for the current year.
- In order to ensure adequate hygiene, garbage bags must be tied and deposited in the appropriate bins located in the parking lot.
- Pitches must be vacated by 12.00 pm, in order to allow incoming campers to set up by evening. After this time, campers will also be charged for the following day.
- The spot assigned by the Management cannot be changed without prior authorization by the same.
- Visitors are not accepted, unless previously disclosed and authorized by the Management. If authorized, they must leave their identification cards upon arrival, fill in the appropriate notification forms and pay the regular daily fee for visitor access.

- Uninhabited tents, caravans or campers are not accepted, unless authorized.
- Cleaning and keeping things in order are part of a camper's undisputed duties.
- It is strictly forbidden to light fires, dig holes or pits.
- You may make use of the playground, swimming pools, sports equipment and participate in entertainment activities at your own risk and peril.
- Any form of drainage and/or sewage from tents or caravans is strictly forbidden.
- It is forbidden to wash awnings, verandas and gazebos in the campground bathrooms.
- The Management is not liable for damage to things and/or people caused by protruding roots or by pavers raised by the aforementioned roots.

SPECIFIC REGULATIONS FOR DOG OWNERS

- Leash use is mandatory inside the Tourist Resort.
- There is a Dog Park near the entrance where you can play with your pets, but they must always be accompanied.
- At the entrance to the Dog Park, there is a dedicated shower. It is forbidden to wash dogs in other areas of the Tourist Resort.
- It is forbidden to leave your dog unattended, it could disturb your neighbours.
